

Did You Know?

Functional Health Imbalances Could:

Stop You From Losing Weight or Keeping it Off

Be Why You Have Chronic Health Issues

Elevate Your Blood Sugar & Blood Pressure & Other Key Health Markers

Be the Reason Why You Become a Type II Diabetic

Action Steps

1

Online Symptom Questionnaire

Obtain WICO® Score (Like Your FICO for Health) To See How Many Imbalances You Have Across 15 Functional Conditions

2

WICO® Score & Graph Consultation

Certified WICO® Healthcare Practitioner will Review Your Results & Explain The Why, What & How
